Leading Transformation SINCE 1969

Case studies

Business Advisory : E-Commerce Market Entry

Background

A luxury shoe and accessory brand launched in 1999 in Paris. Known to be edgy, graphical and architectural, it is firmly grounded on the composition of volumes, lines, and colours.

The brand made its strategic decision to enter China in 2020, during the COVID-19 pandemic, with a focus on [e-commerce retail business](#).

Why choose us

- Understood the client's business plan and offered clarity to [China's regulatory requirements](#);
- Collaborated with the client's vendors, including e-commerce and logistics partners, to [facilitate a smooth China market entry](#);
- Communicated with government agencies (tax bureau and banks) to [accelerate the incorporation procedures under the travel restrictions of the client's key management](#);
- Provided "point-to-point" (from incorporation to issuing the first official tax invoice), hassle-free services to the client to allow them to focus on business development; and
- Provided recurring accounting and tax compliance services.

Audit & Assurance : Accounting and Tax Compliance

Background

One of the [world's leading manufacturers of chip-making equipment](#). They provide chipmakers with hardware, software and services to mass produce patterns on silicon through lithography. They design and manufacture lithography machines that are an essential component in chip manufacturing. Their customers, include Intel, who use their machines to create microchips that are eventually used in many electronic devices, including smartphones, laptops, and much more.

Why choose us

- With deep local GAAP knowledge and international practices, we [coordinated local statutory financial reporting and assisted in detailed analysis and budgeting for local operations](#);
- Established required internal controls, monitored compliance with corporate accounting policies, and fulfilled group reporting requirements to [ensure robust corporate governance](#);
- Provided professional advice and trainings on accounting updates; and
- Completed tax filings for the client [in compliance to with local tax regulations](#).
