

## At a glance

- We are a Group of Auditors, Business, Tax & Legal Consultants operating in the Egyptian market for years. During the past two decades we have acquired wide range of experience through serving significant number of multi-national and national companies.
- Our partners are licensed qualified professionals, members of reputable national and international professional bodies. "Adding Value to our Clients' Business" is the Benchmark & Key Indicator to our Services Excellence and Success.
- We are committed to offering a high standard of services that don't only meet the needs of our clients, but also add value to their businesses.
- Our strategic objective is to provide clients with a strong and comprehensive level of professional services.
- Every client at Vision Consulting Group receives a personal attention of one of the directors, who will have direct responsibility towards that client's affairs.
- We do understand our client's business priorities and we always place client's business priorities in the first place.
- We act very quickly, respond to client's needs and resolve their problems in a timely and thorough manner.
- We use systematic approach and advanced technology to provide consistent and high quality service to our clients.
