

## At a glance

- Audity is a full-service audit & accounting firm with national coverage.
  - We audit all sizes of companies across Spain, whether you are a start-up or a large group, so we bring plenty of relevant experience to help everything run smoothly.
  - We are used to work with international clients reporting abroad (even in IFRS) respecting their deadlines.
- We cooperate with tax advisors and lawyers, thanks to which we are able to offer comprehensive solutions.
- We believe that audit and accounting is much more than preparing company accounts, we work with business owners, talking, building relationships with them, and eventually giving them advice which suddenly becomes a lot more exciting, challenging and a more rewarding prospect.
