

Leadership Team with right mix

HVC has a very well defined and structured succession plan where new partners are inducted at regular intervals to make right blend of experience and innovative ideas. It is the only CA Firm in Bangladesh having dedicated client services team for industry segment (i.e. banking and financial institutions, insurance, power, cement, RMG, hospitality industries, development partners and NGOs etc.) It has been very successful in attracting and retaining fresh graduates, securing top positions in public and leading private universities. To support expanding advisory practices as well as audit teams, HVC has in-house legal, engineering, and procurement experts/professionals.

Our Competitive strengths

- ✓ Over six decades of rich experience and enviable reputations;
- ✓ Long serving professionals with strong blend of multi-disciplined staff;
