

At a glance

Riney Hancock CPAs has been successfully serving the financial needs of the tri-state area since 1973. We take great pride in helping our individual and business clients succeed. Beyond our traditional CPA services, we provide financial advisory services for businesses, wealth and investment management services, personal financial planning, comprehensive tax planning and consultation, litigation support and valuations, and medical/dental practice management. With offices in Owensboro, Kentucky, and in Evansville, Indiana, we have 10 shareholders and a staff of over 40 professionals and support staff.

Our mission is "To Be Our Clients Most Trusted and Valued Financial Advisors."
