

## At a Glance

- A growth-oriented legacy firm with over 50 years of experience, offering market entry services in **India & UAE**. We provide tax advisory, audit & assurance, accounting support, co-sourcing & outsourcing, technology and automation-driven business transformation, and business advisory services to global entities across industries such as technology, publishing, oil & gas, pharmaceuticals, healthcare, engineering, e-commerce, AI, crypto, renewable energy, power transmission, aviation, tobacco, and alcohol.
- Our services also include co-sourcing solutions for accounting firms, CPAs, and audit & tax firms based in the USA, UK, Canada, Australia, New Zealand, and Ireland — offering audit support, tax preparation, bookkeeping, accounting, CAS 2.0, FP&A, and payroll support services. We additionally provide outsourcing services to businesses & corporates, in the US and UK.
