

## At a glance

- National resources and strong local ties in 13 offices across the Southeast—serving clients in all 50 states (and in 36 countries).
- Advisory services that span beyond audit and tax to include executive search and recruiting, technology consulting, financial outsourcing, and retirement plan consulting and administration.
- Highly credentialed experts with deep technical experience, specializing in serving businesses operating in specific industries.
- A legacy of providing excellent client service since 1972—and even longer than that for some of our predecessor firms.
- Consistently acknowledged as a great workplace through both national and local accolades.
- 8.97 Net Promoter Score (out of 10), based on the most recent client survey in 2023 (48.7% higher than the industry average).
- Recognized by many industry publications as an esteemed firm through various awards (Accounting Today, USA Today, Inside Public Accounting, etc.).
