

Brouwers knows the secret of successful entrepreneurship. Brouwers has all the necessary financial and legal expertise in-house. And that is what distinguishes Brouwers from other accounting firms. Brouwers believes in the power of entrepreneurship alongside the entrepreneur. It is precisely this multidisciplinary approach that is reflected in our services and in our clientele. We are not just accountants, we are Brouwers Accountants and Advisors. Entrepreneurship next to the entrepreneur, not walking the beaten track and where possible a network can appeal to support you and help you on your way to a glorious future. A close-knit network, a handy bunch of entrepreneurs, to which we refer you with confidence.... Do you want to work on the accountancy and consultancy firm of the future?! Don't just go for a carrot in front of you but build your career together? Then choose Brouwers, the fast-growing firm that does things just that little bit differently. Meet the Brouwers family. Sharp insight? Switching quickly? Quickly make adjustments? Then bring it on! Because our target is to be the most entrepreneurial and no-nonsense firm in the Netherlands. For the success of our relationships. Nothing more. Nothing less. Our values? We are a family business that cares about the Brouwers family with a healthy dose of ambition. In short, respect for people and boundaries but all focused on a goal! If you also come and check in, we would like to welcome you, see the possibilities <https://werkenbijbrouwers.nl/>
